## Frontend Developer

I'm a passionate frontend developer with a love for creating beautiful and user-friendly web experiences. With over 1 year of experience in the field, I've had the privilege of working on a wide range of projects, from single-page applications to complex e-commerce platforms.

## Experience

### March 2024 - August 2024

Lolita Heights Hotel I Tacloban City  
**Property Management System(PMS)**

Built a Property Management System using React.js and Material-UI (MUI). Developed features like Check-in/Check-out, online booking, employee scheduling, payroll, and biometric attendance tracking. Designed responsive UIs, integrated RESTful APIs, and collaborated with backend teams to optimize performance. Delivered a scalable, user-friendly solution that enhanced operational efficiency.

### May 2023 - May 2024

Mimnu I Australia  
**Front-End Web Developer (WFH)**

My role at Mimnu, an e-commerce site, I am responsible for designing each webpage with a strong emphasis on creating interactive and engaging user experiences. Additionally, I ensure that these designs are seamlessly integrated into a mobile-responsive format, guaranteeing optimal functionality across various devices and enhancing the overall usability of the website.

### November 2022 - May 2023

Telmo Solution I Tacloban City  
**Frontend Developer**

Take design mockups and translate them into clean, responsive, and pixel-perfect web interfaces. Write well-structured HTML, CSS, and JavaScript code to ensure smooth integration with backend systems.

### September 2022 - November 2022

Automation and Security, Inc. I Tacloban City  
**Office Admin**

Maintain organized and up-to-date files, documents, and records related to the company's operations, including customer orders, invoices, and contracts.

### February 2022 - June 2022

Municipal of babatngon I Babatngon Leyte  
**Office Clerk**

Assisting property owners and taxpayers with inquiries related to assessments, property values, tax calculations, and assessment appeals

### September 2016 - December 2021

Concentrix I Quezon City  
**Security Control Officer**

Monitor and maintain surveillance systems, observe suspicious activity, alert authorities during security breaches, prepare incident reports, maintain equipment, comply with policies, and collaborate with security team.
